**Learn, socialise
and gain confidence ...**

**Language
for Fun**

We are dedicated to providing lovely, lively language lessons for adults - for fun!

Easy to follow lessons that are all about socialising rather than exams. Our method & materials help you to catch up easily if you miss a lesson.

Become a learner with us and join one of the few language schools in the UK specifically catering for adults.

Our lessons are affordable and sustainable - allowing you to learn a new language on an affordable budget for as long as you want to. Some learners have been coming for almost 10 years!

Our lessons are designed to give you confidence when speaking a foreign language, in any situation.

Choose the right class for you ...

**Four different levels
of learning:**

**“Innovative
learning, both serious
and light-hearted”**

1

Beginners

For the real beginner or the truly terrified, start with 1,2,3, a, b, c!

2

Improvers

If you have studied the language before, master the past and future tenses!

3

Intermediate

Good GCSE / 'O' level? Come and practice your compound tenses - talk about your dreams, hopes and regrets!

4

Advanced

'A' or degree level. Widen your vocabulary, increase your fluency & start the subjunctive!
