Many of us are used to paying for the different elements of our ski holiday separately. So at first glance you might think that next years holiday will be much more expensive than this years but it does include everything you will need in the one price and it's flying from Manchester.

For example -This year 1 adult (sharing twin room), six day ski pass, 6 day bronze boots and ski hire = £641 compared with £650 per person for Folgarida. If you are prepared to share a room with a couple of mates then it is cheaper as a triple room is £610 per person.

Also don't forget that food and drinks on the mountain are cheaper than in France.

It is not easy to find a holiday for a large group of people, we thought it would be interesting to visit a different country, we hope you will join us next January.

FIX FOR FIVE

Fix your servicing costs for up to FIVE years!

We are all now well used to paying our household expenses on a monthly plan – mobile phone, gas and electricity, rates etc. etc. Well, now you can do the same with your car service costs AND fix those costs for up to five years.

We are very pleased to announce a UNIQUE service to our Endon Rewards loyalty scheme members – a new fixed price servicing package – BUDGET PLAN.

Endon Rewards Budget Plan Service provides your regular manufacturer scheduled vehicle servicing for a single fixed monthly payment. You can fix your service costs with us at today's prices for up to FIVE years and the payments are simply based on your expected annual mileage NOT the car that you drive!

See Schedule of Payments table on the right...

For annual mileages above or below the figures shown, please ask for an individual quotation.

Our Budget Plan covers all the parts and labour (including VAT!) for your manufacturer scheduled service plans. You only have to pay for any wear and tear items which are required at the time of repair. You are also required to have your annual MOT carried out with us but we make a special price offer of £40 to all our Budget Plan customers, saving £14 against the normal MOT recommended price. The budget plan and its payments are completely transferrable if you change your car and you can cancel the scheme at any time **without any charge or hassle whatsoever.**
