FIX FOR FIVE

Fix your servicing costs for up to FIVE years!

We are all now well used to paying our household expenses on a monthly plan – mobile phone, gas and electricity, rates etc. etc. Well, now you can do the same with your car service costs AND fix those costs for up to five years.

We are very pleased to announce a UNIQUE service to our Endon Rewards loyalty scheme members – a new fixed price servicing package – BUDGET PLAN.

Endon Rewards Budget Plan Service provides your regular manufacturer scheduled vehicle servicing for a single fixed monthly payment. You can fix your service costs with us at today's prices for up to FIVE years and the payments are simply based on your expected annual mileage NOT the car that you drive!

See Schedule of Payments table on the right...

For annual mileages above or below the figures shown, please ask for an individual quotation.

Our Budget Plan covers all the parts and labour (including VAT!) for your manufacturer scheduled service plans. You only have to pay for any wear and tear items which are required at the time of repair. You are also required to have your annual MOT carried out with us but we make a special price offer of £40 to all our Budget Plan customers, saving £14 against the normal MOT recommended price. The budget plan and its payments are completely transferrable if you change your car and you can cancel the scheme at any time **without any charge or hassle whatsoever.**

| Miles per year | FIXED Monthly Payment |
|----------------|-----------------------|
| 10,000 | £10 + Vat |
| 15,000 | £15 + Vat |
| 20,000 | £20 + Vat |
| 25,000 | £25 + Vat |
| 30,000 | £30 + vat |
| Over 30,000 | Ask for a quote |

Please contact us if you require help or advice at any time.

Annual General Meeting - 25th October 2010. North Staffs Ski Club Ltd. - Directors Report 2009 - 20010

You might be surprised to know that this directors report has been written by Ann Loton. It was reported in the October 2009 Newsletter that Phil Rowley had been elected as Chair of the ski club. Unfortunately, due to work relocation he had to resign and the newly elected vice chair had to step into the breach.

Another year has passed and I'm glad to say that the club continues to thrive in spite of the financial crisis. There has been a steady intake of new members to replace those who have left the club so that membership remains around 1000. Some of those new members have joined the stalwarts who have toiled over the summer closure to maintain and improve the facilities, my thanks go to all concerned.

The club's finances have been well managed by our treasurers' tightly controlling expenditure resulting in a sum of money being available for future development. Discussions in committee have been taking place to explore the possibilities of developing the ski slope over the next few years. These are still in the very early stages but some considerable time has been spent trying to work out the best plan of action. No firm decisions have been made yet as so much depends on Newcastle Borough Council being helpful.

You will notice great improvement to the fabric of the building, new windows, new fascia on the outside, a new roof and new toilet facilities thanks to Newcastle Borough Council. They secured funding to provide external toilets for the disabled (no responsibility of the ski club) and an internal unisex toilet for the disabled which will also double as the 'Ladies'. The improvements have certainly made a difference to the external appearance of the club house.

The surface of the ski slope continues to exceed our expectations regarding wear. After a great deal of effort during the closure period to remove some of the creases and cleaning of the water sprayers, should provide another year's good skiing.

Last year's return visit to Valmeinier for the club holiday was not quite as successful as our first visit due to the transport arrangements not living up to expectations. However, the snow conditions were very good, food and accommodation was fine and much fun was had by all. Next year's holiday to Val d'Isere is proving popular with the hotel almost full.

We have had more instructors become qualified this year and development of both qualified and unqualified instructors has continued on Friday nights. All instructors have to be revalidated every three years, a group will be going through their paces again in the autumn.

I would like to take this opportunity to thank all the people who have helped to run the club over the last year. We are lucky to have so many people willing to give so much time and energy to the club.

Finally, this club is run by the members for the benefit of the members, the skiing is only so cheap because nobody is paid a penny. The club needs a little effort from a lot of people to help it run smoothly. Out of the 550 or so adult members only around 60 presently give some of their time. If you can spare a few hours to help please see one of the committee members and volunteer. Your services will be most welcome.

Chair.**
