The skiers will complete continuous circuits and the distance of each jump will add to a running total.

The aim is to raise money by sponsorship for the number of jumps completed or by a donation for the event.

If you would like to join in the fun and jump for charity put your name on the list and pick up a sponsorship form from the club.

Club Holiday 2011 - Val d'Isere

This year's club holiday to Val d'Isere got off to an early start on January 16th. We arrived in resort to blue skies and plenty of snow although underfoot was very precarious as hard packed ice covered the road and pavements. Next morning people were eager to try out the conditions on piste.

The closest lift was about 5 minutes walk but another 2 minutes walk led to the Funival Funicular which took you right to the top of the mountain. From there you could drop into Val d'Isere centre or ski over to Tignes. Unfortunately the ski school meeting place and the nursery slopes were in Val d'Isere centre which meant, for the beginner skiers, from our hotel in La Daille a free bus journey of about 5 minutes.

We were not disappointed on the slopes, there was a good covering although in places it was hard packed. The off piste skiers did not fare so well as most areas were crusted and wind blown.

Over the week we experience very low temperatures - 17C without wind chill, brrrr. This did mean that snow conditions remained the same with a little light dusting on Wednesday night. The variety of runs provided lots of fun for all abilities. Everybody found the chair lift over to the glacier in Val d'Isere an experience not to be missed.

One unfortunate event, a member of the club had his rented skis stolen from outside a restaurant, a reminder to us all if we do not have a lock to put odd skis together and place them a distance apart on the ski racks.

We were disappointed in the size of the public rooms but it didn't prevent lots of après ski fun particularly on quiz night.

Yes, this is our treasurer John Daines (dancing on the table) who couldn't resist the beat.

Many thanks go to Jo Stackhouse for her hard work in very difficult circumstances to make this holiday the success that it was.

If anyone would like to contribute a short article about their experience on the club holiday or about a ski holiday which was memorable please send your article to ann.loton@ntlworld.com or leave a copy for the attention of Ann Loton at the ski club.
