Summer closing for maintenance -

9pm Thursday 28th June.

Reopening - 7pm Monday 3rd September

Annual General Meeting - 29th October 2012

Volunteers.

Thank you! Thank you! Thank you!
to all those who have helped to keep the club
running over the last year.

If you have been working at the club as a volunteer over the last year or would like to be a volunteer during the next year, you are invited to get together at the club on Wednesday 11th July 2012 at 7.30pm to discuss ideas, suggestions, rotas etc.

If you can make it we urge you to attend this meeting so that we can sort out the sessions the club will be open from September. If there are not enough volunteers the club will have to be closed for some sessions

Volunteers are needed for:-

- the boot/ski room,
- the kitchen, particularly on Sunday mornings when the filled oatcakes are so popular.
- maintaining the tow and slope
- trainee instructors.

No experience is necessary, willing hands will be able to access training on the job. If you volunteer to work at the ski club for a regular session each week you will qualify for half price membership. If you are unable to commit to every week then you may qualify for free lessons. You can volunteer to be part of the team once a week, once a fortnight or even monthly, just let us know what you can manage.

If you cannot make it on 11th July and you presently have a commitment to the club and wish to continue please make sure you contact Ann Loton with the details of what you do and when you do it so she can book you in.

In the short term please see over for information about jobs to be done on Wednesday nights in July and August.

YOUR CLUB NEEDS YOU!

Wednesday nights from 7pm

During the closed period from 1st July to 1st September there are lots of jobs which need doing. You don't have to have specific skills as there are many uncomplicated jobs which need just a willing pair of hands. At the same time there are jobs which do need specific skills where your expertise would be valued. The more people the better then we can all enjoy the summer and have a club which runs smoothly next season. Have a look at the list below, there must be something you can help with for a couple of hours. Even if you can only manage one 2 hour session it is better than nothing.

FIX FOR FIVE

Fix your servicing costs for up to FIVE years!

We are all now well used to paying our household expenses on a monthly plan – mobile phone, gas and electricity, rates etc. etc. Well, now you can do the same with your car service costs AND fix those costs for up to five years.

We are very pleased to announce a UNIQUE service to our Endon Rewards loyalty scheme members – a new fixed price servicing package – BUDGET PLAN.

Endon Rewards Budget Plan Service provides your regular manufacturer scheduled vehicle servicing for a single fixed monthly payment. You can fix your service costs with us at today's prices for up to FIVE years and the payments are simply based on your expected annual mileage NOT the car that you drive!

See Schedule of Payments table on the right...

For annual mileages above or below the figures shown, please ask for an individual quotation.

Our Budget Plan covers all the parts and labour (including VAT!) for your manufacturer scheduled service plans. You only have to pay for any wear and tear items which are required at the time of repair. You are also required to have your annual MOT carried out with us but we make a special price offer of £40 to all our Budget Plan customers, saving £14 against the normal MOT recommended price. The budget plan and its payments are completely transferrable if you change your car and you can cancel the scheme at any time **without any charge or hassle whatsoever.**
