

A club run entirely by volunteers who love skiing.

Kidsgrove Ski Centre

We have two 90 metre slopes, one for teaching and recreational use and the other for freestyle. On the freestyle slope we have permanently sited jumps and rails that are available for use whenever we are open.

Both slopes are covered with the very forgiving Playgrass surface that has a misting system. The slopes are floodlit.

There is a ski lodge with tea shop and a superb family atmosphere. During opening times the shop sells hot and cold drinks, sweets and chocolate bars. In addition there are hot oatcakes, bacon sandwiches/baps and sausage rolls during the morning and lunch time on Sundays.

Ski / boarding levels required for Membership

Recreational skiers must ski in control and be capable of performing snowplough turns.

Boarders will need to demonstrate full turns - a 'falling leaf' is not sufficient .

All members must be able to control both their speed and direction. All skiers/boarders must complete a separate form to use the **Freestyle** slope

Lessons

Our team of volunteer ski instructors is qualified and registered with Snowsport England.

For beginners we operate a programme of ski instruction aiming to take a person from never putting a pair of skis on their feet to a snowplough turning standard and the ability to use the ski tow, thus enabling them to use the slope safely for recreational skiing. These courses must be booked in advance, please call for availability.

We also run intermediate lessons, these are 1.5-hour lessons aimed at eliminating bad habits and improving your technical skiing ability which will allow you to cope with more varied ski conditions. Again, these need to be booked in advance.

Please note that all lessons need to be booked and paid for in advance via the telephone (01782 784908) or in person at the ski centre when the club is open. Sorry, we are unable to give snowboarding lessons.

No lesson bookings can be taken on-line or via email.

Group Bookings

For group bookings of 8 or more outside busy times it is £5 per 1.5 hour session for juniors and £10 for adults. £40 deposit when booking is required.

We aim to suit individual requirements. Please give the centre a call for further details.

Note: All prices include ski equipment. However you will be required to bring a pair of gloves and always wear long sleeves. You are recommended to wear long socks and waterproof trousers or tracksuit bottoms that are wide enough to go over the boots.

Freestyle at Kidsgrove

The dedicated freestyle slope is a permanent facility, with fixed features, that is open to club members who wear a helmet with the sticker that says they are approved

users. It is open whenever the slope is open for general recreational skiing. Check the website for dates when we are open for "Freestyle Friday" sessions. Come along and join the fun. We have a good selection of fixed features and on Freestyle Fridays we use both slopes and the airbag, if the weather is OK.
