Lessons and Instructors

Our team of volunteer ski instructors is qualified and registered with Snowsport England.

For beginners we operate a programme of ski instruction taking the form of three 1.5 hour lessons over a three week period (4 x 1 hour lessons for juniors under 11). These aim to take beginners from never putting a pair of skis on their feet to a snowplough turning standard and the ability to use the ski tow, thus enabling them to use the slope safely for recreational skiing. These courses must be booked in advance, please call for availability.

We also run intermediate lessons, these are 1.5 hour lessons aimed at eliminating bad habits and improving your technical skiing ability which will allow you to cope with more varied ski conditions. Again these need to be booked in advance.

Please note that all lessons need to be booked and paid for in advance via the telephone (01782 784908) when the club is open or in person at the ski centre.

No lesson bookings can be taken on-line or via email.
