FIX FOR FIVE

Fix your servicing costs for up to FIVE years!

We are all now well used to paying our household expenses on a monthly plan – mobile phone, gas and electricity, rates etc. etc. Well, now you can do the same with your car service costs AND fix those costs for up to five years.

We are very pleased to announce a UNIQUE service to our Endon Rewards loyalty scheme members – a new fixed price servicing package – BUDGET PLAN.

Endon Rewards Budget Plan Service provides your regular manufacturer scheduled vehicle servicing for a single fixed monthly payment. You can fix your service costs with us at today's prices for up to FIVE years and the payments are simply based on your expected annual mileage NOT the car that you drive!

See Schedule of Payments table on the right...

Annual General Meeting - 29th October 2012. Directors Report 2011 - 2012

Another year has passed and I'm glad to say that the club continues to thrive in spite of the country's continuing financial restraints. There has been a steady intake of new members to replace those who have left the club so that membership remains around 900. Some of those new members have joined the stalwarts who have toiled over the summer closure to maintain and improve the facilities; many thanks go to all concerned.

Once again the club's finances have been well managed by our treasurers tightly controlling expenditure resulting in a sum of money being available for future development. Discussions in committee have continued to explore the possibilities of developing the ski slope and planning permission has been sought to obtain extra land to be used for skiing. The planning application went before Newcastle Borough Council Planning Committee in March. There have been many hurdles to cross but it is hopeful that planning permission will be granted by the time of the Annual General Meeting in October. However, the council still has to grant a variation of the current lease held by the club to include the extra land before any development can start. Decisions still have to be made regarding the way the extra land will be utilised to provide a varied ski terrain.

This year's club holiday to Serre Chevalier in January was enjoyed by all. Next year's club holiday to Les Menuires has proved popular, there are approximately 80 places booked so we have the hotel to ourselves.

More instructors have become qualified this year and development of both qualified and unqualified instructors has continued on Friday nights. One of our Level 3 Coaches is working towards his Level 4 Coach Award. We have several candidates working towards their Level 1 Coach Award. The Master Classes which have been held on Sunday evenings led by our coaches continue to be very popular.

I am very pleased to report that the club gained Snowmark/Clubmark accreditation in January 2012. The club has now demonstrated that it meets Snowsport England's criteria as to playing programme, safeguarding and protecting children, knowing the club and its community and club management. Snowmark is an acknowledgement that we take these issues seriously and that we provide a high quality and welcoming environment for participants in the sport.

I would like to take this opportunity to thank all the people who have helped to run the club over the last year. Thanks must go to those who run and maintain the kitchen so that it continues to meet the Level 5 Food Hygiene rating awarded by Newcastle Borough Council. We are lucky to have so many people willing to give so much time and energy to the club.

Finally, this club is run by the members for the benefit of the members, the skiing is only so cheap because nobody is paid a penny. The club needs a little effort from a lot of people to help it run smoothly. Out of the 550 or so adult members only around 60 presently give some of their time. If you can spare a few hours to help, please see one of the committee members or our Volunteer Coordinator, Norman Salmon and volunteer. Your services will be most welcome.
