The Snowlife Snowsport Awards are nationally recognised awards for skiing and snowboarding. They've been developed by UK Governing Bodies for skiing and snowboarding and BASI (British Association of Snowsport Instructors).

So it really means something when you win one.

A few weeks later we will run another Assessment to cover levels 3 and upwards.

The Awards will be presented at the Kids Club Christmas Party.

Ski Clothing & Equipment Sale - Its back again & with more

Saturday 22nd Nov 1 -4 pm

Many people said how much they enjoyed the first one we organised, with other people sorry that they missed it. These events are for the benefit of you, the members and so we have arranged another visit in time for Christmas.

This time there will also be the new clothing range from Diel and both suppliers will also be bring their skis for sale as well.

This is not the normal type of clothing that you can buy in the high street and tends to be specialised, quality equipment used by many international ski teams around the world. Quality wise, I would put these on par with the legendary American manufacturer, Spyder, in fact both Diel and Vist use the same materials in their clothing range.

A great chance to stand out on the slopes this season, or a special Christmas present for a family member.

I have arranged to have Credit Card facilities available on the day. If you need any further information then please see Simon on the slope on Sunday mornings.

For further information please contact Simon on the slope on Sunday mornings.

Have you tried it yet?

Many of you will have seen the new bench seat, just inside the gate. It has been made by Brian Woodcock, a founding member, and is the club's tribute to the memory of Albert Pover who did so much and taught so many. The plaque has been engraved by club member Guy Standing. Do enjoy the seat, whether you are basking in the sun or huddling under the cover when the weather is not so nice.

Check out the second from the left, our Chairman, having a well deserved rest after working hard in the ski room on a Sunday.

Members - Just a reminder

We are having a check on memberships so you will be asked to show your membership card when you get your skis. If you haven't got a membership card just take a passport photo to the desk. Don't forget you can get 10% (sometimes 20%) discount from Blacks and High Peak shop in Hanley with your card.

If you are an Associate Member you must pay £8 for 1 hour or £12 for 2 hours when you come for a ski and you must show your membership card.

Parents please remember that a responsible adult should accompany junior members at all times.

Skiway Code

1. When you start skiing always look up and down the slope to see if it is clear.
2. Always stop at the sides of the slope not in the middle.
3. Always behave sensibly on the slope.
4. Do not ski too fast, especially if the slope is busy.
5. Leave lots of room if you want to ski past somebody. If anyone falls and is hurt tell an instructor.

Don't forget.

If you bring a friend to recreational ski they must join as an Associate Member and it is only available to those skiers who can perform basic snowplough turns and controlled stops. Any skiers found unable to make these basic manoeuvres will be asked to leave the slope. No refunds will be given.

Also

Please don't bring valuables to be left in the club house whilst you are skiing. There is no secure place to keep them, many people go in and out of the ski room. Any thing left is at your own risk .

Instructors

Congratulations to Neil Ravenscroft and Marc Clowes who have gained their Level 2 Instructor (formerly ASSI) awards. This reflects much hard work and dedication involving many Monday evening sessions at Stoke Ski Centre with coach Alan Ashfield. The club will benefit from their new skills.

All the instruction in the club is undertaken by volunteers, most of whom originally joined as ordinary members to do some recreational skiing. As time went on they saw the opportunity to put something back into the club and, on the way, to improve their skiing. We are very lucky that our instructors teach because they enjoy it and for the personal reward of giving new customers their first steps and improving the skills of existing members.

If you think that you could be an instructor one day don't hesitate to ask one of the existing instructors. We run sessions on Friday nights for existing and potential instructors to improve skills and share experiences. These are usually run by the senior instructors but we also have visits from Snowsport England coaches.

Snowsport England - Piste Magazine

All club members are members of Snowsport England, the sport's governing body. They produce a magazine called "Piste" that you may have seen in the Ski Room. Normally they only send half a dozen copies but this year they have increased the print run and we have boxes of them. Please make sure that you pick up your copy.

We also receive copies of the "Snow" magazine - they are free, so please pick one up and have a good read.
